Read complete instructions before installation! Improper installation may void warranty

Description: Bumper Light
Part Number: 511019
Application: 89-95 Toyota Pickup

Tools needed
Phillips screwdriver

Remove the 2 screws from either side of the light.

Remove the lens and the light bulb.

Remove the 2 mounting clips from the vehicle.

Remove the new clips from the new light.

Insert the new clips into their location.

Reassemble the light onto the vehicle. Check for proper function before operating on the highway.

AnzoUSA™ products are covered, by a limited one (1) year warranty, to be free of manufacturer's defects. However, certain AnzoUSA™ product categories have warranty policies which differ from this standard, please contact your representative for detailed category information. Damage due to improper installation or road hazards is not covered. Seller and manufacturers' only obligations shall be to replace the product proven to be defective. Neither seller nor manufacturer shall be liable for any injury, loss or damage, direct or consequential, arising out of the use of or the inability to use the product. Before using, user shall determine the suitability of the product for its intended use, and user assumes all risk and liability whatsoever in connection therewith.
