ROUGH COUNTRY SUSPENSION SYSTEMS®

11008BAG

88-98 GM 1500 Hidden Winch Tray

Thank you for choosing Rough Country for all of your suspension needs.

Rough Country recommends that a certified technician install this system. In addition to these instructions, professional knowledge of disassemble/reassembly procedures as well as post installation checks must be known. Attempts to install this system without this knowledge and expertise may jeopardize the integrity and/or operating safety of the vehicle. Please read all the instructions before beginning the installation. Check the kit hardware against the ''Kit Contents'' list below. If question exist, please call us @1-800-222-7023. We will be happy to answer any questions concerning this product. Check all fasteners for proper torque. Check to ensure for adequate clearance between all components. Check and retighten wheels at 50 miles and again at 500 miles. Periodically check all hardware for tightness. Be sure you have all the needed parts and understand where they go. Also, please review the "Tools Needed" list to be certain you have the necessary tools to complete the installation.

PRODUCT USE INFORMATION

This hidden winch tray was designed specifically around the Rough Country 9500lb and 12,000lb winches with synthetic rope. Others may fit, but have not been verified. Proper use of the winch and recovery equipment must be followed and is on the end user to learn before hand. Setting tension on newly purchased winch rope is necessary before use.
